

# Tenbury High Ormiston Academy Maths Department

## Stage 5 Home Learning project Summer term 1

Name: .....

Deadlines:.....

Maths teacher: .....

.....

LMG: .....

.....

If you have any problems with any of the tasks then please ask your class teacher or pop along to homework club on Tuesday, Wednesday or Thursday lunchtimes.

For assessment criteria please see the school websites new homework page.

All tasks should be completed in your maths homework book.

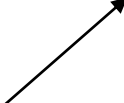

Task 1: Mathematical definitions

Write a definition for each of the following terms and give an example where possible.

<b>Fractions, decimals and percentages</b>	<b>Properties of shapes</b>
Proper fraction	Rectangle
Improper fraction	Square
Vulgar fraction	Quadrilateral
Numerator	Regular
Denominator	Irregular
Percentage	Parallel
	Perpendicular
	Polygon

TASK 2: Complete each of the tasks below.

Give the definition of each keyword.

Make notes on how you did this.

Task 3: Create one of the following resources to explore the idea of

- a presentation
- prepare a starter activity
- a game

Task 4: Computer based homework task

Using [www.corbettmaths.com](http://www.corbettmaths.com) watch the following videos and answer the questions set in your homework book.  
You must show all your working out.
