

Mini – Me MAIL ART PROJECT – YEAR7

What you need-

- Blank card and envelope from Miss
- A buy a stamp
- The (secret) name and address of a Y7 pupil
- Lots of creativity... and maybe some help from home

This Independent Learning Project is a postal challenge!

You will be given a small envelope which contains a blank card and invited to create a mini self-portrait.

Every space on the card - and even space on parts of the envelope- are to be covered in ingenious ways to tell a story of **YOU**.

Think about your family, home, pets, hobbies, what sports/music/food etc you like.

Things you might include on your card - drawings, photos, collage.

You **MUST** include a careful drawing of yourself

DO NOT add any writing on the card or envelope- especially your name! It is a secret- the challenge is to see if we can work it out in school.

You have several weeks to do this work and that must be reflected in the effort and time you spend making it amazing.

You will be given a name and address near the end of the project and are to address the envelope correctly, buy a stamp and post it by the correct date.

Everyone will receive an envelope in the post and bring to school for a POP UP EXHIBITION
